Liability and Property Damage Insurance

What it covers:

- Legal liability for alcohol-related accidents.
- Your liability for bodily injury to guests for an accident resulting from the event.
- Costs to repair or replace property damaged at the event site.
- Damage to a facility caused by a guest.

With Event Liability & Property Damage Insurance Policy, you get:

- **Coverage that meets most venues' insurance requirements** – with the ability to name the venue as an additional insured on your certificate of insurance, add venue-specific language to it, and obtain a copy for the venue via e-mail...***all at no extra cost.***
- **Primary coverage that pays out first** – even if your other insurance provides coverage for events, filing a claim could increase your rates or result in termination of your policy.

How much do I need?

In most cases, your event site will tell you how much coverage to buy to meet their liability and property damage requirements. Or you should consider your exposure of being sued especially in the event of an alcohol-related accident. If you are not serving alcohol, you can now purchase without host liquor liability coverage at a reduced rate.
